EDITOR'S LETTER

Hang on, what's this? We've barely got used to the idea of it being 2016 and now experts are telling us the world economy is going to tank again – all because the Chinese haven't quite got a hold on the idea of capitalism. Well isn't that just dandy!? Thankfully, while markets might be shrinking all over the place, our babes will make sure you're doing anything but - at least where it counts!

WIFE IS SWEET!

Dear *Mayfair*,
I'd always heard that once you get married, your sex life goes down the pan. I actually found the opposite: My wife Kristen has always been on the wild side in bed, but once I put that ring on her finger a year ago she upped the anti, totally surprising me.

I know every man thinks their wife is hot but Kristen is on another level – she has the kind of body you usually only see on a porn star and wears as few clothes as she can get away with to show it off. Many husbands would get jealous but not me,

> "I SAW KRISTEN'S HEAD MOVING FURIOUSLY BETWEEN RACHEL'S LEGS…"

I feel proud to have her on my arm and whenever she gets eyed up when we're out (most of the time), I just feel lucky that I'm the guy who gets to take her home and shag her!

I thought I knew all there was to know about Kristen when we got wed – we'd been together for two years before that – but a week into our marital bliss, she confided in me that she's bisexual. I was gobsmacked, but I didn't mind in the least, in fact the thought of seeing my fit missus getting it on with another woman really turned me on!

After her confession, I expected Kristen to bring up the subject again with a view to inviting a bird to join us, but nothing was said. I figured that she was happy with things the way they were and put it to the back of my mind.

About six months later, I was just finishing up at work when Kristen rang to say that her friend from America was coming to stay for the weekend, and she wanted me to pick up some things from the supermarket on the way home. I was a bit annoyed as I stopped to buy some wine and nibbles, but as Kristen rarely had mates over I tried to stop feeling quite so disgruntled.

When I arrived home I was surprised to hear girlish laughter coming from the kitchen – I wasn't expecting our guest to have already arrived. As Kristen introduced me to Rachel, I couldn't help but notice that she was stunning, nor that she had whopping big tits! Grabbing a beer from the fridge, I made small talk with them both until Kristen told me to go and chill out as they were cooking dinner, which I took to mean they wanted to gossip without a man being around!

After sitting in front of the TV for a good half an hour, I started to wonder what time we were due to eat, so wandered back into the kitchen. I was surprised that the room empty and so headed upstairs to find Kristen. As I reached the landing, I could hear muffled sounds coming from our bedroom and, finding the door partly open, I stood in the darkened hall peering into the softly lit room.

My eyes widened as I saw Kristen's blonde head moving furiously between Rachel's legs. They were both naked on the bed, Rachel's pert boobs thrust upwards as she moaned and bucked beneath the attention of my wife's probing tongue.

I couldn't believe what I was seeing! My dick could, though, and it stood to attention, pushing against the material of my jeans so hard it almost hurt. I couldn't move my eyes as Kristen teased Rachel's pussy with her fingers, playing around until she found Rachel's sweet

PENNY FOR THIS GUY

Dear *Mayfair*,
I would like to thanks the delectable Penny Lee for glamour modeling among the pages of *Mayfair* – she's quickly become another girl jotted down in my notebook of all-time favourites (I'll have to get a new one soon – it's filling up fast!). The picture on the top left of page 48 of 51.01 is an absolute corker – what a pose, what a position in those stockings and suspender belt! What I wouldn't give to be underneath those legs taking those awesome pictures! Hats off to BB Media, who seem to be getting better and better every month!

Meanwhile, I seriously can't wait to get my hands on 51.02 when it comes on sale with its spread of Chloe. In fact I can see myself buying two copies, 'cos some of these pictures are definitely going up on my wall! Valentine's Day is coming, and if there are any single guys out there, I'm sure Chloe will put a big smile on their faces! Please, I'm imploring you to feature more of Chloe this year – and that's before I've even seen a set of her!
Graham, Cornwall.

CHRIST(EN) ALMIGHTY!

Dear *Mayfair*,
Well, I don't know how you do it, but you've unearthed another clutch of stunning newcomers for the first issue of volume 51 (I can't believe that when I first started buying *Mayfair* it was in the early 20s!). You opened with a very cute redhead in Mia, and then things just got better and better. Christen is a total babe – quite possibly the find of the year, and it's only issue 1! From the very first shot of her, coyly looking over her shoulder whilst giving us a view of her peachy arse, to the picture on page 37, with her gorgeous pussy on proud display, she had me completely hooked!

And then, as if that weren't enough, we had Natalia showing off her tasty buns in the kitchen, and Megan, replete in her frilly red and black lingerie. Throw in *Mayfair* faves like Charley and Penny and, well – all in all a cracking issue to kick the year off with. Let's see how you manage to follow it up over the next few months!
Peter, Roehampton.

spot and making her moan and squirm around.

Kristen moved up the bed and Rachel pulled my wife to her, licking her musky juices off Kristen's lips. I watched their tongues touch and lap at each other's mouths softly, their eyes closed. As their hands massaged each other's tits, rubbing and pinching bullet-like nipples and groping the fleshy mounds, I undid my fly and released my throbbing weapon, rubbing my hand along the erect shaft and aching helmet.

Then, quick as a flash, Kristen was on top of Rachel, pushing her pelvic bone against her lover's juicy pink pussy. With their neatly trimmed bushes rubbing together and their buttocks squeezed tightly, they thrust their hips at each other, grinding their pussies harder as they became more aroused.

"AS THEIR HANDS MASSAGES EACH OTHER'S TITS I UNDID MY FLY AND RELEASED MY THROBBING WEAPON, RUBBING MY HAND ALONG THE SHAFT."

As I watched, quietly pumping my member, Kristen sucked her fingers then trailed them down Rachel's body till she reached her fanny. Parting her legs, Kristen buried two fingers into her friend's slippery pussy, pushing them in as far as they would go.

Arching her back, Rachel groaning softly as my wife's digits penetrated her, then, thrusting her slender hips madly, she encouraged Kristen to finger her faster. Obliging, Kristen sawed in and out of her dripping cunt as she leant forward and took one of Rachel's stiff nipples into her mouth, sucking and licking it to a chorus of 'ooh's and 'aah's. But when Kristen used her teeth, lightly scraping the little nub, Rachel let out a yelp and her body stiffened in orgasm.

Secretly witnessing two beautiful women in such ecstasy was too much and I wanked away furiously, trying not to come too quickly. As Rachel came down from her climax, Kristen lay back on the bed, legs splayed, ready for her lover to "return the favour". Smiling broadly, Rachel crawled between my wife's thighs and buried her face in her fanny. Kristen giggled, so Rachel finger-fucked her until she began groaning, at which point our guest returned to licking her swollen slit. Kristen's body shuddered as Rachel brought her to climax, sucking Kristen's juices loudly as they dripped out of her spasming pussy, which was the hottest thing I'd ever seen.

I had to concentrate on not spurting as my wife clambered onto Rachel's face so that they could sixty-nine. They were completely into it, their slender bodies pumping and grinding into one another's faces. Muffled groans filled the room and the musky scent of pussy juice wafted to me where I lurked in the doorway.

After what seemed like a wonderful eternity, they both climaxed, their bodies shuddering as they got caught up in blissful orgasm. When they were done they rolled away from each other to catch their breath, with their soaking pink pussies facing me. This was way too much for me and, still trying to keep as silent as possible, I came, spraying jizz all over the wall and carpet before sneaking off to the bathroom. Imagine trying to explain those stains to the wife!
Liam, Crawley.

While we're all in favour of stockings, suspends, basques and the like here at *Mayfair*, there's definitely something to be said for a more casual look from time to time – and if anyone can pull it off, it's Brythonic babe Lexi Lowe! A simple bra and panties combo, coupled with a bloke's shirt and some rather sensible looking winter socks is all it takes to set this beauty off to perfection! Ahem, and as we're on the subject of pulling things off...

Allow us to introduce Chloe number one of the issue – a stunning *Mayfair* newbie who hails from North London and who has certainly hit the ground running with her very first set of pictures for us!

"Well, I've done a good bit of modelling over the last couple of years, so I'm pretty comfortable in front of a camera, I guess!" she tells us – and it certainly shows! Mind you, what with those stupendous boobs and gorgeous face, she's causing a good bit of discomfort behind the camera!

A NICE BIT OF PORSCHE!

Been waiting for a sexy new 911 to enter your life? Well lookee here - your wait's over!

After watching Lionel Messi grabbing the *Ballon d'Or* for a fifth time Real Madrid Superstar Cristiano Ronaldo wiped away his tears and splashed out a couple of days wages on the new Porsche 911 Turbo S. If it's good enough for a global Superstar with an ego the size of a small planet, surely it's good enough for the rest of us!

For decades, the 911 Turbo has been the stuff of legends, and it remains so today. With a monstrous 580hp on tap and an automatic seven-speed dual-clutch doing the shifting, Porsche's all-wheel-drive 911 Turbo S can hit 60 mph in less than three seconds, making it Porsche's fastest-accelerating 911 production model ever launched. But we'll get on to what's under the bonnet in a just a moment – it's the striking looks of the new 911 Turbo that gets tails wagging before the roar of the engine turns your attention elsewhere.

Naturally, the new 911 Turbo S adopts significant characteristics of the striking design of the standard Carrera models, supplemented by a whole host of special and advanced features. The newly formed front end with side airblades and precisely laid out narrow LED front lights with double fillets give the front end a wider look in combination with the additional fin in the central air intake. The centre lock wheels are also a thing of beauty, with the high-performance Turbo S boasting monster 20-inch rims, with the back set of tyres measuring very close to a foot wide! Small subtleties like the new door handles that come without plastic shell inserts help to create a seamless look. The rear body has also been thoroughly reworked. Eye-catching at first glance are the three-dimensional rear lights with their four-point brake lights and aura-like illumination, familiar from the 911 Carrera series. The exit openings for the exhaust system at the rear as well as the dual tailpipes have been completely redesigned from previous models too. The rear lid grille has also been given an overhaul, featuring three parts: the right and left sections have longitudinal louvres, and in the middle there is a separate cover for optimised air induction for the engine.

Along with the generation change in models, the newly developed Porsche Communication Management infotainment system has made its way into the cockpit of the 911 Turbo S. Perfectly integrated into the centre console, the multi-touch monitor offers numerous new and extended connectivity functions like the radar lane change system and a lift function that increases ground clearance at the touch of a button. Navigation can also access the latest traffic information in real time. Routes and places can also be visualised with 360-degree images and satellite images. In addition, the system can now process handwritten inputs, which is a bit nifty. Moreover, mobile phones can now be integrated more quickly, easily and comprehensively than before via Wi-Fi, Bluetooth or cable. Select vehicle functions can now be controlled remotely as well. As in the previous models, the Bose sound system is offered as standard; however, a Burmester system can be delivered as an option too for the music connoisseurs out there.

And now for that 3.8 litre bi-turbo six-cylinder engine! We've touched on the car's mind-boggling acceleration, but with 580 hp sitting under the bonnet the 911 Turbo S is super quick too, joining the elite group of production cars that punch above the 200mph barrier, finally topping out at an impressive 205mph. Improved turbochargers with larger compressors, modified inlet ports in the cylinder head and new injection nozzles are all instrumental in helping the 911 Turbo S break this magic number. The engine also has what is known as a dynamic boost function to further improve engine response in dynamic operation. It maintains the charge pressure during load changes – i.e. when the accelerator pedal is released briefly. This is achieved by interrupting fuel injection while the throttle valve remains open. As a result, the engine reacts with practically no delay to another press of the accelerator pedal. The advanced electronic engine and transmission management with revised gear change mappings also help to make the car more economical and environmentally friendly.

> "BOASTING MONSTER 20-INCH RIMS, THE BACK SET OF TYRES MEASURE CLOSE TO A FOOT WIDE."

Even the steering wheel is a game-changer. Adopted from the 918 Spyder, the new GT sport steering wheel comes with what is known as a mode switch. It consists of a rotary ring with stepped positions that is used to select one of the four modes Normal, Sport, Sport Plus or Individual. The Individual setting lets the driver configure and store a very individual vehicle setup, with the others being pretty self explanatory. Another new feature included in the Sport Chrono Package is the Sport Response button at the centre of the mode switch. Inspired by motor racing, it preconditions the engine and gearbox for the best possible responsiveness at the push of a button. In this state, the vehicle can produce optimal acceleration for up to 20 seconds, such as for an overtaking manoeuvre. An indicator in the instrument

"THE 911 TURBO S IS SUPER QUICK, JOINING THE ELITE GROUP OF PRODUCTION CARS THAT PUNCH ABOVE THE 200MPH BARRIER."

cluster in the form of a running timer shows the driver the elapsed time. Sport Response functionality can be called up as often as desired and from any of the driving modes.

All sounds pretty good, doesn't it? Unfortunately there is just one downside (ahem, aside from the price tag) – unless you live in Germany or you're a spoilt Portuguese footballer, you might have to wait a while before you can get your hands on the new Turbo S! But don't worry, we're sure that if you've got a spare £145k burning a hole in your pocket you can probably think of a few fun and amusing things to occupy yourself while you wait! Oh, and did we mention that it also comes in an open top version too? So you can get one of each, eh?

GIRL OF THE YEAR

Say what you will about 2015, it was certainly a year to remember. Floods of a once in a century severity seemed to hit our shores every week or so at the end of the year – but luckily for all of us a talking shop in Paris decided that it would be putting a stop to climate change any day now! Meanwhile the Middle East continued to be an oasis of chaos that sent ripples of concern throughout the world, while here in Blighty Red Ed failed to unseat David Cameron and co. Still, in a world of change and worry, at least *Mayfair* managed to steer a course through all the ructions, unearthing and printing an absolutely dazzling array of stunners as we did so – but who were your favourites? Here are some suggestions of girls you might want to vote for, but of course you can choose any three girls who've appeared in the mag in Volume 50, and if your top 3 match the overall winners, you could win a goodybag full of grot.

Want a sidesplitter or three? Well move along, there's nothing for you here, we're afraid! Email us your efforts at: mayfair@paulraymond.com or send them to: Mayfair, 23 Lyon Road, Hersham, Surrey, KT12 3PU.

A family is at the dinner table. The son asks the father, "Dad, how many kinds of boobs are there?"

The father, surprised, answers, "Well, son, a woman goes through three phases. In her 20s, a woman's breasts are like melons, round and firm. In her 30s and 40s, they are like pears, still nice, hanging a bit. After 50, they are like onions."

"Onions?" the son asks.

"Yes. They make you cry."

This infuriated his wife and daughter. The daughter asks, "Mum, how many different kinds of willies are there?"

The mother smiles and says, "Well, dear, a man goes through three phases also. In his 20s, his willy is like an oak tree, mighty and hard. In his 30s and 40s, it's like a birch, flexible but reliable. After his 50s, it's like a Christmas tree."

"A Christmas tree?" the daughter asks.

"Yes, dead from the root up and the balls are purely for decoration."

"My wife, my best putter! Oh, no, the horror of it all!!"

"Daddy, where did I come from?" five-year-old Rachel asks. It is a moment for which her parents have carefully prepared. They take her into the living room, get out several other books, and explain all they think she should know about sexual attraction, affection, love, and reproduction. Then they both sit back and smile contentedly.

"Does that answer your question?" the mum asks.

"Not really," the little girl says. "Beth said she came from Scotland. I just wanted to know where I came from."

What's the difference between a pick-pocket and a peeping tom?

One snatches your watch. The other watches your snatch.

At school, Little Johnny's classmate tells him that most adults are hiding at least one dark secret, so it's very easy to blackmail them by saying, "I know the whole truth." Little Johnny decides to go home and try it out.

Johnny's mother greets him at home, and he tells her, "I know the whole truth."

His mother quickly hands him £20 and says, "Just don't tell your father."

Quite pleased, the boy waits for his father to get home from work, and greets him with, "I know the whole truth."

The father promptly hands him £40 and says, "Please don't say a word to your mother."

Very pleased, the boy is on his way to school the next day when he sees the postman at his front door. The boy greets him by saying, "I know the whole truth."

The postman immediately drops the mail, opens his arms, and says, "Then come give your Daddy a great big hug!"

The barman asks the guy sitting at the bar, "What can I get for you?"

The guy answers, "A scotch, please."

The bartender hands him the drink, and says "That'll be three pounds," to which the guy replies, "What are you talking about? I don't owe you anything for this."

A lawyer, sitting nearby and overhearing the conversation, says to the bartender, "You know, he's got you there. In the original offer, which constitutes a binding contract upon acceptance, there was no stipulation of remuneration."

The bartender is not impressed, but says to the guy, "OK, you beat me for a drink. But don't ever let me catch you in here again."

The next day, same guy walks into the bar. The bartender says, "What the heck are you doing in here? I can't believe you've got the audacity to come back!"

The guy says, "What are you talking about? I've never been in this place in my life!"

The bartender replies, "I'm very sorry, but this is uncanny. You must have a double."

To which the guy replies, "Thank you very much. Make it a scotch."

A 92 year old man is walking through a park and sees a talking frog. He picks up the frog and the frogs says, "If you kiss me, I will turn into a beautiful princess and be yours for a week."

Struggling, the old man bends down, picks up the frog and pops it in his pocket.

The frog screams, "Hey if you kiss me, I will turn into a beautiful princess and make love to you for a whole month."

The old man looks at the frog and says, "At my age, I'd rather have a talking frog."

What do you call a smart blonde? A golden retriever.

Mmm – we've fallen head over heels for countless babes from Essex over the years, but there's something about the delectable Chloe Toy that's set every nerve a-tingle. She was a super-cutie when she first got into modelling, and now she's reached the ripe old age of 21 she seems to be getting hotter and hotter!

"I'm not sure I'd call 21 a ripe old age!" she pouts, "but I guess that was meant as a compliment," she grins.

Just the honest truth, Chloe!

Scene from MAYFAIR

Three very different examinations into the nature of life, love and responsibility this month - so you can take your pick between Mars, Paris and a POW camp!

THE MARTIAN

Editor's PICK

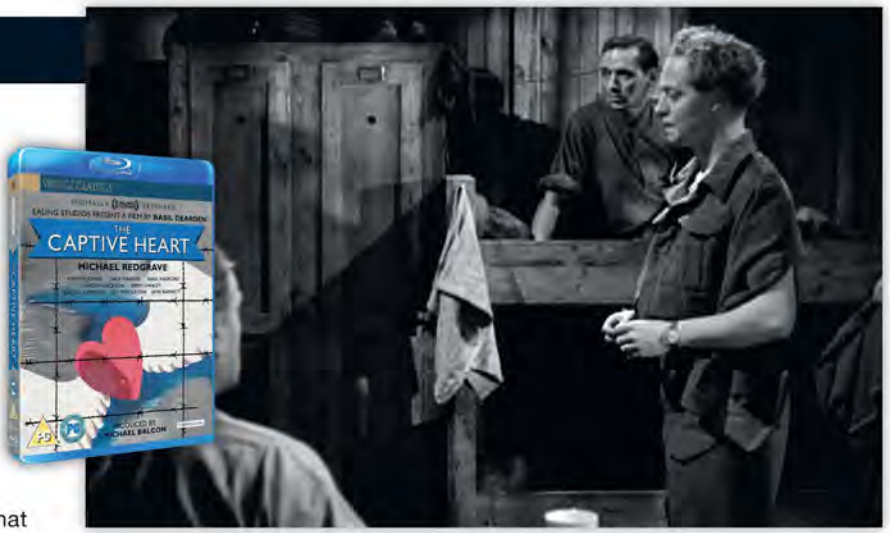
Once upon a time a sci-fi movie from Ridley Scott meant something sensational like *Alien* or *Bladerunner*, but since then *Prometheus* has taken the lustre off things a tad. So here we are with his latest crack at the genre – but is it old school brilliant, or modern humdrum? Thankfully, it falls pretty squarely into the former camp!

Matt Damon heads the cast, playing botanist Mark Watney who, following a rather nasty storm, finds himself stranded on the red planet after the rest of his crew, believing him dead, have buggered off back to Earth. Well that, of course, prompts a pretty epic struggle for survival for Watney – Mars isn't noted for its hospitable climate, and it takes all his resources to keep body and soul together – and when it's discovered that he's still alive, it's the cue for all sorts of anguished debate among those who might just be able to rescue him. Jessica Chastain, Sean Bean and Chiwetel Ejiofor provide additional heft.

LOVE

Director Gaspar Noe made a name for himself back in 2002 with the notably graphic *Irreversible*, and here we are, 13 years later, and he's finally pushed the boat out so far it's practically out of view from the shore. This film, which caused quite a stir when it debuted at Cannes in 2015, is somewhat reminiscent of Michael Winterbottom's *9 Songs* in that it features its protagonists having it off, you know, for real! So how come it's getting as review here rather than in the MF Movies section? Well, it's not an out and out grumble flick – the sex isn't really here to titillate, and the plot, which is mostly shot via flashbacks as Karl Glusman's cinema school student Murphy thinks back to the time he was with his former girlfriend Electra (newcomer Aomi Muyock) and all the frantic shagging they got up to. Provocative and a wee bit up itself in turn – but if you happen to have a 3D telly, you might want to get the Blu-ray!

THE CAPTIVE HEART



If you're going to make a film set in a WWII POW camp, you couldn't really pick a better time to do it than in 1946, when they were all more or less still there – and there were plenty of ex-inmates to hand who can ensure your film's suitably accurate! That was clearly director Basil Deardon's thinking, anyway, when he set about shooting this one while the final shots of the war were still ringing in most people's ears. Michael Redgrave plays a Czech soldier who; having assumed the identity of a dead British soldier, ends up in captivity with plenty of 'fellow' Brits. But things get complicated as he has to maintain his false identity – not least because he's obliged to write to his 'wife' back in Blighty. A terrific portrait of a bygone era, and the moral quandaries that were thrown up...

If it's a bit of naughty slap 'n' tickle you're after from your top shelf magazines that's fine, but here at *Mayfair* we like to go in for something a wee bit classier than that – and to prove the point, here's a set of pictures of the stunning Zoi, the mixed Scottish/Greek beauty who made a welcome (and, it has to be said, overdue) return to our pages last year!

So of you've got any whisky or Metaxa to hand, why not have a little toast to Zoi's health!

OPEN RELATIONSHIP

CAST: Romi Rain, Reena Sky, Alix Lynx, Eva Lovia, Josie Jagger, Staci Carr.

Raven-haired hottie Romi Rain is, we're to understand, married to English stud Danny Mountain. OK, so that's going to be a nice coupling to watch, but luckily for the film – and for Romi and Danny – they're so horny they need to stray outside the marital bed in order to sate their wanton desires. Yes, that's right – they have an open relationship!

Danny's day's off to a flier, with the missus noshing him off in the bathroom, but Staci calls from the office and she wants him to come in and knob her! Without even giving Romi the faceful she deserves he scurries off to work, leaving the missus to amuse herself with her own bit on the side. They set to in the kitchen, with Romi taking a real pounding before finally getting the blast to the face she's been waiting for for so long. With seven scenes in total, there's plenty of great action to follow, with Alix and Josie putting on a particularly good show servicing a brace of cocks – but really there's no filling here. Getting on for four hours of high quality grot!

Wicked Pictures

THE KEY

CAST: Gigi Allens, Olivia Austin, Morgan Lee, Mercedes Carrera, Chanel Preston.

Four women (who may, in real life, happen to be porn stars – but surely that's by the by!) simultaneously receive a key and an invitation in the post. Intrigued? I certainly was, and my interest levels shot even higher when it was revealed that the invitations came from leggy Aussie flamper Gigi Allens, who's invited them to be members of a special 'spa' where they can do whatever they like! She shows them around, and it turns out the first thing busty Olivia would like to do is Gigi herself! Cue a suitable eye-pleasing lesbo tryst – no toys, but plenty of tongue and finger action as they set about doing what, clearly, every woman dreams of. After that, each of the other girls in turn succumb to their desires in various ways – OK, not that various, seeing as they all involve doing things with blokes' cocks. Morgan surrenders to the charms of her tattooed masseur, while Mercedes goes in for an office-bound bunk-up with a beardy colleague. Even wary Chanel joins in eventually – and all's well that ends well, eh?

Harmony

ASIAN ADDICTION

CAST: Sharon Lee, Alina Li, Marika Hase, Lady Mai, Jayden Lee, Henessy, Priva, Jandi Lin.

Like a good book or a favourite film, sometimes it's nice to revisit a scene from the past that brings back certain memories, and with that in mind the folk at Harmony have harvested together no fewer than 7 scenes that have appeared in their flicks (dating from 2014 all the way back to 2005) featuring some of the loveliest Asian (i.e. Oriental – not Indian) girls to have opened their legs on screen in living memory, with a little helping hand (not to mention tongue and pussy) thrown in from Occidental hottie Henessy. Basically, if you're a fan of region 3 action in your pornos, this collection will be something of a must-have – not only are the girls all thoroughly pleasing on the eye, they are, for the most part, pretty filthy!

Sharon Lee gets the balls rolling – all 6 of them as she uses all her wiles and apertures to drain three cocks in high style, and Marika Hase, Priva and Jandi Lin are all outnumbered by the men in their scenes, with plenty of eye-popping DPs and spit-roastings all round.

Inevitably a couple of the older scenes aren't quite as HD as we've come to expect in recent times, but given that the action runs to over 3 and a half hours, you'd be hard pushed to quibble. Marika's scene alone is almost worth the cost of entry…

We've been head over heels in love with Natalia Forrest ever since she first crossed our radar as a fresh-faced reader's girlfriend in one of our sister titles about seven years ago – and bugger us if she just doesn't get hotter and hotter every time we see her. Talk about blossoming into womanhood – she's was a totally stunning 20-year-old, but just look at her now. If only the rest of us had managed to improve so spectacularly over the same period, but nothing could be further from the truth...

QUEST...

Reckon it's high time we had a trio of confessions from some of our lady readers? Well so do we - and here they are!

My husband John and I have been married for five years and although we love each other dearly, we both had to admit that our sex life had cooled off somewhat lately.

We tried the usual stuff to spice things up; romantic weekends away, candle lit dinners, but nothing ever seemed to recapture the old magic. I began to resign myself to a life of mediocre sex, which to say the least, was mildly depressing.

It was John that first suggested we try and make things interesting in the bedroom by adding a third person. "You know, like a threesome." he said enthusiastically. Needless to say I was shocked, but what surprised more was when he mentioned he wanted it to be with another a guy rather than a woman. He confessed that it had always been a secret fantasy of his to watch me with another man.

This made me feel differently about the situation, I mean if he'd have suggested another woman I would have felt insanely jealous, but with a guy? That was different. I also had to admit it had always been a fantasy of mine to be shared by two men, but would John really be okay with it? He seemed sure which confused me a little. I decided to go along with it and see whether he was serious or would eventually bottle out and forget it.

For a few weeks neither of us mentioned it until John came home one day with an excited look on his face. He said he'd been talking to a friend at work named Dave who was a regular on the swinging circuit and no prude when it came to experimental sex. He suggested that he bring Dave home one night so we could 'try things out' as he put it. I was hesitant. I still couldn't quite believe he was serious about sharing me with another guy and it seemed like such a huge gamble in our relationship.

We talked it over and he reassured me that he felt secure enough in my feelings for him to go ahead with it. In the end I agreed that we should all meet for a drink and see how we got on. I mean after all, I didn't even know what this guy looked like yet. John told me not worry and said he'd arrange everything.

A few nights later we met in a local wine bar in town. Dave was already there sat at the bar wearing a grey suit without a tie. I was immediately blown away by how good looking he was; tall, athletic with blonde hair and blue eyes. I felt a sudden surge of adrenaline in my stomach as the butterflies kicked in. John introduced us, "Dave, this is my wife Helen." As he lent in to kiss my cheek I caught the smell of his aftershave. "I've been looking forward to meeting you." He smiled broadly and gestured us over to a small table he had reserved for us in the lounge area. It was in a dimly lit spot right at the back with no other people around. We huddled down around the table with John making sure I was sat in the middle. We ordered a round of cocktails to loosen things up. I opted for a Gin Martini without the Olive.

As the waiter fetched the drinks we began to make small talk. I quickly began to realise that far from being the strange pervert I'd been half expecting, Dave was actually very charming. I listened attentively as he recounted stories about his world travels and his work as a stock broker in the city. He was very much the man about town I thought and I noticed the first twinges of attraction towards him. I felt the familiar warmth between my legs and I began to squirm around on my seat.

I don't know if it was the alcohol or the atmosphere but the more we all chatted the more hilarious Dave became. He had a devilish sense of humour and was so quick witted. As the evening wore on and the drinks flowed I felt my inhibitions fade and I was getting overly flirty with him. I hadn't noticed that my hand was now resting on his thigh. Jolted by my brief loss of discretion I quickly withdrew my hand and turned around to see if John had noticed. To my surprise he didn't seem the slightest bit fazed. He looked mesmerized as he watched us both laugh and joke together. He leant over and whispered in my ear, "Touch his cock."

I was flabbergasted. Did he really just say that? I looked up to see Dave winking at me. I turned round again to see John smiling. He gave me a reassuring nod. It was like the pair of them had been rehearsing this. "Sod it", I thought and moved my hand up between Dave's legs and cupped his sizeable bulge in my hand.

> "I HAD TO STIFLE A SHRIEK AS HIS FINGERS FOUND MY CLITORIS."

He reciprocated by running his fingers along the inside of my thigh until they disappeared up my skirt. I had to stifle a shriek as his fingers found my clitoris. At that time John's hand ran down my back and then slithered into my underwear. The sensation was overwhelming and I began to get wet. I could feel both men's fingers slip and slide around together like a swarm of eels in my knickers.

Three rounds of cocktails and a bottle of champagne later I was thoroughly rat-arsed and insanely horny. It was also getting late so I suggested we all get a cab back to our place and continue the fun. John settled the tab and we left.

As we got into the house Dave and I crashed onto the sofa while John went to the kitchen to search for alcohol. Whilst he was out of the room I couldn't help myself. I leant over across Dave's lap, unzipped his trousers and took him in my mouth. He moaned deeply and I felt

his hand come to rest on the back of my head.

I was so engrossed I'd forgotten all about John until I felt my skirt being hitched up over my thighs and the familiar feel of him entering me from behind.

I couldn't believe it. I was being spit roasted by my husband and some guy I'd only met a few hours earlier.

After a few minutes all our clothes were off and we'd become a hot sweaty mass of bodies thrashing around on the living room floor.

All doubt and hesitancy had left my mind and I threw caution to the wind. I loved the feeling of domination both men had over me.

By now I was on my knees sitting on John whilst sucking off Dave. I began to work harder and faster on Dave until his breathing became quick and shallow. He finally gasped and shot his load in my mouth. I swallowed then licked my lips before turning my attention to John. I'd never felt him so hard, he was clearly turned on by seeing me with another man. Suddenly his hips jerked and his hardness broke inside me as he climaxed.

Whilst both men lay panting on the floor, I stood up and headed for the bathroom trying my best not to spill any of the fluid John had deposited in me on the way.

After a brief respite I led both men up to the bedroom where we enjoyed hour after hour of hot kinky sex. Dave didn't leave until first light the next morning.

The experience was one of the most erotic of my life and I still get turned on whenever I think about it but, despite this, I somehow don't really feel like repeating it. I prefer to remember it as one of those things that just 'happened' rather than being planned. Maybe I'm just wrestling with female conscience.

John on the other hand has become like man possessed. He keeps asking when we can try it again and has even suggested bringing more participants in. I fear I may have awakened a side to him I don't like.

Although I have no regrets, I guess some fantasies should remain just that; fantasies.

I'm 31 and single – not through choice – but I'm told I don't look my age and I ensure that I make the most of life, working hard and partying even harder. I've come to the conclusion over the years that my being alone is predominantly down to my career, which I chose over finding a man to settle down with. Being the manager of a large

bank is unusual for a woman as young as me, but I really enjoy it. I oversee around 70 members of staff, which means a lot of pressure so it's great to let my hair down.

Every year the company puts on a huge bash for the branches in and around the city and the Christmas just gone was no exception. The bosses had hired out an entire hotel in the countryside for us, with lots of gorgeous finger food and a free bar laid on. Of course, as the Champagne flowed everyone got very drunk and had a fantastic time!

I always make sure I look good for this annual get-together – usually opting for a classy LBD and heels – but this year I decided to be

"HE HURRIEDLY PULLED MY KNICKERS DOWN, DROPPED HIS TROUSERS, AND BENT ME OVER THE SINK."

slightly more daring with my outfit, and I'm glad I did! I bought myself a deep red dress (which was somewhat shorter than I would normally go for) with a plunging neckline and added a pair of red stilettos

"HE FUCKED ME HARDER AND FASTER, HIS BALLS SLAPPING AGAINST MY BUM."

before finishing the look off with a stunning diamond necklace that a previous suitor had treated me to. Damn, I felt sexy!

And the men-folk obviously agreed, as I got chatted up more that night than any of the previous nine dos I had attended! I was even slipped a few phone numbers; the fact that they were given to me by married men so I would never use them didn't matter, it was still flattering.

I have only a few rules in life that I stick to and not mixing business with pleasure is one of them. But then, I have never met a guy like Mitchell before. Having only joined the firm eight months ago, he hadn't attended our annual soiree before and, noticing a new face I made a beeline for him. He was slightly younger than me and very cute, but after just a couple of minutes of chatting to him I realized he was a bit too confident and cocky for my liking.

However, once he got the message that I wasn't interested, I must have become a challenge for him, as he didn't leave me alone for the rest of the evening, fetching me glasses of Champagne and insisting that I dance with him. After a couple of hours of outrageous flirting he wore me down and I told him my room number, saying that I'd meet him there in half an hour.

Slipping away as discreetly as I could, I headed to my room and straight to the bathroom to touch up my make-up before my guest arrived.

I'd left the door on the latch so he could let himself in, but I still jumped when he appeared in the bathroom doorway. I was touching up my lipstick and our eyes met in the mirror, making my stomach flutter.

He made his move, grabbing me round the waist, kissing my neck and pulling my skirt up over my bum. I was wearing a little thong and hold-up stockings, which obviously had the right effect on him as he hurriedly pulled my knickers down, dropped his trousers and bent me over the sink. It took him a stab or two before his cock found my moist, aching hole.

Once in, he began pumping away, pawing at my pert boobs as he found his rhythm. Slapping my bum cheeks, he breathlessly told me I was the horniest bitch in the entire company. So, I wasn't surprised when he didn't last long, grunting as he shot his wad deep inside me.

I wasn't about to let the occasion pass without coming myself, so I began diddling my clit, enjoying the feeling of pleasure washing over me. I was very close to climaxing, when Mitchell announced that he was ready again – being in his early twenties it didn't take him long to recoup – but rather than moving to the more comfortable bed, he pushed me gently to the bathroom floor while stripping my clothes off. I shivered as my skin touched the cold tiles.

Mitchell knelt between my legs, pulling them up on his shoulders to give him easier access. He had a nice long cock on him, so getting inside me wasn't difficult. He was sliding me back and forth over the floor, moving me on and off his length, telling me to play with myself, so he could watch me hold my pussy lips open and play with my clit.

STRADDLING MY TORSO, HE WANKED HIS MEATY LENGTH, THE SWOLLEN RED COCKHEAD WINKING AT ME BEFORE EVENTUALLY SPRAYING.

As he'd already come, he fucked me slowly until I was thrashing around, my squeals of pleasure echoing off the bathroom walls. Once I'd climaxed, he fucked me harder and faster, his balls slapping loudly against my bum as he slammed his fat prick in and out of my now-sopping minge. It didn't take long before he grunted that he was going to come again and could he unload on my face? I agreed, feeling like the dirtiest slut ever!

Pulling out and quickly straddling my torso, he wanked his meaty length, the swollen red cockhead winking at me before eventually spraying his creamy muck everywhere, splattering my chin and mouth and icing my tits with his sticky jizz.

We stayed there for a few minutes, Mitchell playing with my erect nipples, apparently enjoying the way his cream pulled off them in gooey strings, until I insisted we move to the bed. He fucked me for hours in every way imaginable, impressing me with his youthful stamina – and his rock hard dick!

I was exhausted by the time we headed (separately) down to breakfast the next morning. My colleagues were too hungover to realise – or care – what we'd been up to, luckily, as the company frowned on inter-firm relationships. It was definitely the best Christmas party I've attended so far – however, I'm anticipating the antics at this year's do already! And I'm really looking forward to hooking up with Mitchell again!

I never thought I'd end up telling a magazine like yours about my filthy exploits but I know it would turn my hubby George on to read this so I hope you'll print it.

Last month George and I went out for the evening with some friends we'd known since we moved to this area about three years ago.

Clare and Pete are both in their twenties and attractive. I knew for a fact, that George fancied the pants off Clare as he'd told me how much he liked her long legs and big tits when we'd been fucking. We often talk about fantasy shags while we screw as it turns me on thinking of George's dick stuffed into another woman's mouth and it really gets George off thinking about some

other bloke ramming my wanton pussy full of hard meat!

Anyway, it was pretty late by the time we got back to our friend's house and while Pete got some drinks, Clare put some music on and started dancing with my George.

"PETE EASED A FINGER AND THEN ANOTHER INSIDE MY DRIPPING HOLE, GRINDING THEM UP INTO THE SOFT MOIST FOLDS."

George started winding me up by stroking Clare's arse and pressing his crotch against her while grinning at me. Clare was giving as good as she got though, kissing George's neck and running her hands up and down his thighs while they gyrated around the lounge. I could feel my pussy juicing up as I pictured how hard my hubby's cock would be getting.

Pete came back with the drinks and sat on the sofa next to me. He couldn't take his eyes off our partners dance and I could see he actually had a slight bulge in his trousers.

My fanny got wetter and I casually placed my hand on his leg as we continued to watch.

George noticed my hand and began to fondle Clare's bum more intently, checking Pete's face for signs of disapproval. Realising he was enjoying their display, George suddenly turned Clare's head towards his and kissed her full on the mouth. Pete's bulge grew bigger and I slid my hand on top of it, letting my fingers grip the solid shaft beneath the material.

We all knew where this was heading and dropping any pretence, Pete slipped his hand between my legs and ran his finger up my skirt towards my sodden twat. I nearly came as he touched the damp panties, stretched taut over my love mound and when he started stroking up and down the lips of my pussy I spread my legs for him and pulled the crotch of my knickers to one side.

George had lifted Clare's dress up to her waist and was delving between her stockinged thighs for her twat. He was staring at my now bare snatch as Pete eased a finger and then another inside my dripping hole, grinding them up into the soft moist folds of my pussy. I undid his trousers and in seconds had a gorgeous eight inch prick pulsing in my hand. I wanked it gently as I watched George carefully undo the back of Clare's dress and expose her awesomely rounded tits.

Her nipples were huge and I masturbated Pete's cock faster as my husband took one of Clare's fat teat in his mouth and sucked it noisily, his hand still pushing rhythmically between my friend's legs as she moaned and groaned her appreciation. I was still able to watch the action as I leant forward and stuck Pete's lovely dick into my mouth. The earthy taste of his meat excited me further and I ground my sex down hard onto his probing fingers.

Clare had dropped George's trousers to the floor and I could see his rigid muscle in the palm of her hand as she guided him between her thighs. Lifting one stockinged leg up to his waist, both Pete and I could watch in vivid detail as she pressed the end of his knob against the entrance to her slit and then pushed down on him so that about two inches disappeared inside her hole. Fuck, two could play at that game and pulling Pete's dick from my mouth, I clambered on top of him, sitting directly onto his prick with my back against his chest. Pete was bigger than George and his swollen shaft plugged my pussy good as he buried it up to the balls in my soaking tunnel. I began to ride him as he groped my tits and we leered at our loved ones fucking before us. George had both hands on Clare's arse, pulling her body onto his knob as he grunted with lust. Pete pinched my nipples as I crammed his cock in and then out, a climax bursting through my crotch as his dick reached maximum penetration.

I didn't have much time to recover as George dragged his cock from Clare's twat and pointed it straight in my face. I just had time to open my mouth as the first jet of his seed splattered the back of my throat and with Clare furiously wanking his meat, the spunk was flying everywhere; coating my cheeks, neck and chin in sticky white gloop that dripped off my skin onto the silk material of my blouse.

I felt Clare's fingers clench around the base of her lover's prick as I continued to ride it. I knew as his body tensed beneath me that Pete was about to unload and he did, straight up inside my aching cunt, his heavy manhood jerking and pumping out sperm while buried to the hilt in my twitching hole.

With my face still plastered in semen I climbed off Pete and joined Clare, licking and sucking the mixture of jizz and fanny juice off her partner's cock. As Clare helped herself to some of George's come, which was still smeared around my mouth, my husband busied himself by fingering our two hot wet pussies at the same time.

Both dicks and both our pussies got a good deal more attention that night (and again the following morning!) and we've already arranged to do it again soon. Maybe Clare and I should put on a proper lezzie show for our men next time. I know I'm definitely game if she is!

"GEORGE HAD BOTH HANDS ON CLARE'S ARES, PULLING HER BODY ONTO HIS KNOB AS HE GRUNTED WITH LUST."

Angie, please pardon us for being crude, but you are bloody gorgeous!
Thank you. I have noticed this about British people – you all swear, even when you are being nice to someone! I think it is very strange.

Be careful when we sound all polite, though.
French men are the same when they want it!

ANGIE

PHOTOGRAPHED BY
LAURENT SKY

Then that must be the difference – we want it all the time!
Oh no, men are men. And it is not just men – women are… what is the word… 'horny'? Yes. Women are just as horny as men! But we have more imagination, so we do not swear all of the time!

We can't agree with you there. For instance, we can imagine some pretty amazing things right now.
So can I! All day I have been thinking about finding two men to take to bed tonight. I think I will find them in a quiet, expensive bar in London and bring them back to my hotel room. One will be blonde and one will have black hair…

Is hair dye expensive these days?
Do not interrupt – that really* is *rude! I will put one of them in the bath and the other one in my bed. I will have sex with the one in bed while the other one looks from the bathroom. Then I will go into the bathroom and have sex with him. And halfway through the night, I will swap them over and keep doing it to them…

Fancy coming for a quiet drink, then?
No, now I feel too rude!

MAYFAIR
Classic

What's this, a bleedin' couturier getting her bits and pieces out in *Mayfair*? Stone the crows – either that was a bold career move on Angie's part, or else some Mayfair blurb-writer had a rather skewed vision of a typical French occupation. Either way, we rather like the idea of a French couturier called Angie who looked like this, so on reflection, what the heck!

Coming Next Month

Better late than never, that's what we always say here at Mayfair, so what if it's taken us yonks to get the delectable Ree Petra in for a shoot? She's a busy girl and, well, we've done it now, at least! The results are, as you might expect, rather spectacular, and will be on full display in next month's issue! Meanwhile two other British lovelies in Bexie and Zara will be keeping themselves royally entertained – not to mention us!
